MYERS SCORES KNOCKOUT OVER MIDVALE FLASH

Smith Takes Full Count in Fourth Round of Main Event at Salt Lake

By AL WARDEN.
SALT LAKE, April 18.—Spur Myers of Pacatello won the undisputed junior lightweight title of the Rockies here last night by defeating Midget Smith of Midvale in the fourth round of a scheduled six-round main event. Myers scored a knockdown on Smith early in this round, later landing with deadly effect in Smith's protection, the Midvale battler crumpling down in his corner in a heap, taking the count of ten for the second time in his career.

Myers opened the battle determined to end all arguments as to who is the superior man. He opened up in the first round with terrific body punches working continually on Smith's wind. Myers showed the Midvale with stomach punches and kidney blows in this frame while Smith scored but few with his famous left.

MYERS WORKS FAST
In the second round Myers started out again. Smith battling him toe to toe, both men exchanging heavy blows. The Midvale wonder was at his best in this round using his left hand with timely effect. Myers featured body punches at long ranges and flashy work in the clinches. This frame was even.

Myers received his instructions prior to the opening of the third round and when this round opened he was all over the ring applying his Smith like a wild. Smith was at his best in this round, but he was out of the strength to put over a knockdown. Myers showed Smith with punches to the midsection and jaw. Smith going to his knees in the fourth and fifth rounds. The Midvale Flash regained his feet and attempted to hang on. Myers landed over three successive lefts to the stomach driving Smith to his corner. A series of body punches followed by a sledge hammer right to stomach ended the performance. Smith falling in his corner and being counted out by Referee Hardy Dowling.

Billy Wallace challenged the winner. Johnny Williams of Salt Lake easily outpointed Walt Hart of Midvale in the four-round semi-windup. Hart decided to cover up in three of the four rounds with Williams giving him a fifty little boxing lesson.

John Hanna gained a well earned decision over Ted Titus in their four round mill. The fourth round was the feature of the evening both men battling at all times.

Joe Hansen defeated Jack Butts in a four-round mill. Hansen showing to advantage in each round.

Joe Young and Fred West battled four rounds to a draw.

Hutchinson Plays Much Better Golf With High Collar

CHICAGO, April 18.—A tall, stiff collar may have more to do with the winning of the British open golf championship, by Jack Hutchinson, than did the ribbon clubs the Chicago professional used before they were banned by the Royal and Ancient Golf club of St. Andrews.

The thousands of persons who have seen the wiry Scot play may recall that Jack always plays in a natty knickerbocker suit and any other golfer, but that he invariably wears an ear-sawing white collar that makes him appear somewhat like a high reined horse.

"I couldn't you play golf even better if you were not hindered by high collar," someone asked him during his trip through the Pacific coast states.

"On the contrary," said the expert, "that seeming sartorial impediment is an aid to correct shooting in my case. I am only afraid that some golfing organization may take a notion to declare it a mechanical contrivance, like ribbed clubs, the center shafted putters and steel shafted clubs and thereby deprive me of one of the best aids I have in hitting the ball straight, far and with exactness as to distance."

"Every one knows that it is essential to hold the head still during a golf swing, and when I accidentally played one day with a stiff collar on, I thought I kept my poise better than usual. I tried it intentionally later and I am now convinced that the tall, stiff collar is more beneficial to my game than a ribbed club, for I have and can cut a shot dead with the smoothest-faced club ever made."

ARRANGE BOUTS FOR TRIO OF CHAMPIONS

MICHIGAN CITY, Ind., April 18.—Dates on which Jack Dempsey, heavyweight champion, Benny Leonard, lightweight champion, and Jack Britton, welterweight champion, are to defend their titles in matches here were announced by Floyd Fitzsimmons, promoter for the local post of the American league.

Fitzsimmons exhibited contracts signed by the champions and said that Leonard would fight here July 4, Britton would fight August 5, and Dempsey would appear on Labor day. Leonard is to get \$40,000. His opponent's name will be announced late this week. Fitzsimmons said. The money and opponents of Dempsey and Britton will be fixed later.

Construction of an arena to seat 40,000 will be begun today.

OUTFIELDER PURCHASED.
BOSTON, April 18.—Outfielder Lawton W. Witt of the Philadelphia Athletics has been purchased by the New York Yankees and will report here today, reports from Philadelphia said. The Yankees paid \$16,000 for the outfielder. It was reported, but Manager Huggins of the Yanks, although admitting that Witt has been purchased, refused to name the sum.

15 ROUNDS TO DRAW.
SHREVEPORT, La., April 18.—Frank E. Tucker, of Los Angeles, and "Red" Herring, of Louisville, Ky., fought a 15-round draw here. "Wild Cat" Ewing of Houston was defeated in 10 rounds by George E. Kuhn, of Shreveport, who was given the referee's decision.

The New York Yankees have so many temperamental stars that Miller Huggins must think he is managing a theatrical troupe.

JACK DEMPSEY KEEN TO MEET BEST IN EUROPE

CHAMPION HOPES FOR GO WITH BECKETT OR CARPENTIER

JACK DEMPSEY AND HIS MANAGER, JACK KEARNS, BIDDING FAREWELL TO FRIENDS ON THE PIER BEFORE SAILING.

What's that you say? Where do I get that Beau Brummel stuff?

Before Jack left he bought a complete set of new togs. Morning togs, afternoon togs, evening togs, togs for any and all occasions.

When I asked him, "Why all the glad rags, Jack?" he whispered, "Listen, I am going to England, hoping to get a crack at some of their heavyweights over there. But if I can't knock 'em out in a ring, I'll knock 'em cold with the clothes."

Seriously, though, I am hoping that I can get a fight over there. "I am more than anxious to give Carpenter, Beckett, or anyone else a chance if some promoter cares to offer the proper inducements."

"I am tired of all this theatrical stuff and only wish that I could get a chance to step into a ring. "But as it is, all I have in sight is some engagements in the music halls, and then I suppose I'll take in the sights unless something turns up."

"But just put it down in your little book that nothing would please me better than a hurlyup call to come back to the little old U. S. A. and mix it with somebody."

IF THIS PLAY COMES UP
Here's Your Decision

If while attempting a third strike, the ball touches any part of the batsman's person, the batsman shall immediately be declared out. The ball becomes dead and no bases can be run, or runners retired on any play that might be made after the ball has touched the batsman's person.

Of the entire pitching array, Phillips alone proved effective for more than one inning.

The winning runs, made in the seventh, were charged against Yarrison, who yielded a single to La Motte and walked both Peckinpough and Garrity to fill the bases, with none out. Rommel then succeeded Yarrison and four runs developed from Goslin's sacrifice fly, a triple by Judge and a double by Harris.

MAJOR CLUBS PLAN GAMES IN EUROPE

WASHINGTON, April 18.—A visit to Europe for games in England, Ireland and France is in prospect for the Washington Americans this fall. According to plans being made by Ted Sullivan and sanctioned by President Griffith of the Washington club, the Nationals and another major league club to be decided on later, probably one of those in New York, will sail the close of the season for a tour of Europe.

Sullivan, who conceived and conducted the famous "round the world trip" of the White Sox and Giants in the winter of 1913-14, already has his plans for the European barnstorming trip under way. He plans to sail for Paris May 6 to make arrangements for the tour.

The plans as arranged tentatively by Sullivan call for the sailing of the baseball tourists about October 7 for the first game sometime after the middle of the month and for conclusion of the foreign schedule by November 19, when the steamer on the other side becomes for bidding.

"You bet we'll go," President Griffith said, when asked about the proposal. "October 7 may be a little late for us to start with some world series business to attend to, but if suitable arrangements can be made we'll go over there and show them how to play a real game."
